

Nativity School Student Video/Photo Release

In order for St. Andrew Nativity School (Nativity School) to use photographic images of any student under the age of 18, whether in individual or group images, this form must be completed, signed, and delivered to Nativity School. Nativity School desires to have the ability to use such images only for public information and marketing purposes. This release form will be maintained in Nativity School's office.

The undersigned, by signing below, represents that the undersigned is the parent or legal guardian of the student listed below and, in such capacity, does hereby consent and give permission to Nativity School and any media organizations (newspapers, magazines, other print materials, reports, displays, television, cable, website, advertisements, etc.) providing public information for Nativity School to take, record, store, and use one or more photographs, videotapes, and/or digital images of any kind of the student listed below for possible use in public information, features, releases, news stories, announcements, or other similar productions featuring Nativity School programs or related services.

Other than the photographic or video image of the student, Nativity School will not otherwise depict or publish personally identifiable information about the minor child with the exception of anecdotal quotes, notes, or stories of school activities in which the student will be identified only by his or her first name.

By signing this release, the undersigned, individually, and on behalf of the student listed below, agrees to release Nativity School of any and all claims that either may have arising from the taking, recording, storing, and usage of any anecdotal school-related stories or quotes, photographs, videotapes, and/or digital images of any kind of the student listed below for the purposes stated above.
